Pre-Kindergarten Program

Introduction

Welcome to Yangebup Family Centre Inc. Our centre is a not-for-profit community based service run by a Management Committee consisting of parents and interested community members.

The aim of our Pre-Kindy program is to familiarise children with the routine of kindy by providing an interesting and challenging environment which offers developmentally appropriate experiences to enhance their emotional, physical and intellectual development. The program is designed according to the Early Years Learning Framework and National Quality Framework and develops the children's independence, self-help and social skills.

Session Times

Our pre-kindy program runs on a Tuesday, Wednesday and Friday during the school terms. Our session times are 9 am – 2.30 pm. Children attend one day each week.

How to Apply

Please complete the pre-kindy application form and return to the centre with the application fee. Applications close in September. You will be contacted after the closing date to confirm your placement. If we are unable to offer you a position the application fee will be refunded. Application forms are available on our website yangebupfamilycentre.org

Enrolment Procedure

Once you have been offered a position an enrolment form, copy of birth certificate and immunisation records need to be completed before your child can commence.

Fees

You will be invoiced for your fees. Fees are to be paid in full by week 2 of each term. A non-refundable deposit of 50% of the term fee is to be paid to confirm your child's enrolment prior to them starting.

Daily Routine

Orientation

The orientation morning is held the week prior to commencement. It is a two hour session from 9.30 – 11.30 am which both you and your child attend. This enables children, parents and teachers a chance to meet and familiarise themselves. The first hour is spent in the pre-kindy room together and the second hour is a parent information session whilst enjoying a morning tea.

Our Kindy Staff

Our Educators are qualified to work with this age group of children. They are all either Certificate III, Diploma or Early Childhood teacher trained. They are there to help your child learn and grow and are more than willing to meet with you at any time to discuss your child's progress or any concerns you may have.
