Playgroup (0-4 years)

Our playgroup sessions provide an opportunity for dads, mums, grandparents and carers, with their children aged under 4 years, to meet other local families in a relaxed and playful setting. Our facilitator provides activities and support for local families to learn about children's development through play, talk through an issue, and find out about other activities and services in the community.

Fee: \$100 per term for the family

Playclub (2-4 years)

Playclub provides an opportunity for pre-kindergarten children to be introduced to a classroom environment with parental support. Playclub promotes a fun filled learning environment whilst encouraging independence and social interaction. Developed as a 'stepping-stone' from playgroup to kindergarten our facilitator provides age-appropriate activities for children 2 – 4 years of age.

Fee: \$130 per term, free creche available for siblings
