YFC Childcare 2025

Closure: We will be closed from Monday 16 December – Friday 10 January 2025

Changes to Occasional Care

This year we have found an increasing demand for permanent placements and less families looking for occasional care. For 2025 we are offering more permanent positions with any remaining vacancies provided for casual care. Current families with permanent placements will be given priority, second priority to existing families before we invite new families to enrol from the 11 November.

New Name for Occasional Care

We will be looking for a new name to reflect the change but for now will use “YFC Childcare”
