This application is for children born between 1 July 2023 and 30 June 2024. All Pre-Kindy days will be from 9am-2.30pm. We are registered for Child Care Subsidy (CCS) which may reduce your fees if you are eligible. We also offer Before Kindy Care from 8.30-9am and After Kindy Care from 2.30-3.30pm.

Placements will be allocated once applications have been reviewed. If required, preference will be given to the older children. We will confirm your position by early October and will send out enrolment packs for you to complete and return.

If your child is not toilet trained when it is time to commence, we will discuss alternatives with you such as our Childcare program or Playclub and will hold a position for your child in Pre-Kindy for part of the year.

Please return this Application Form to the Yangebup Family Centre, along with your \$50 application fee. The application fee is a one-off non-refundable fee for the year. Payments can be made by direct deposit or in person where cash or credit is accepted.
